# PARTY PACKAGES

All our food is made from scratch daily and we can cater for all styles of events from finger food and sharing plates (good for having over a drink) through to sit down dinners.

We have some great pre-order options on food and drinks. It is often better value to order food and drinks in advance from our party packages, it's a great way to guarantee a proportion of spending in advance if you are on a minimum spend and your guests get well fed and watered at your party.

Or if you prefer, just order from our menu on the night. Our kitchen is open for as long as the bar is. Which means at the weekend, you can grab pizza from our coal oven until 2am Friday and Saturday.

*Allergies? We don't list every ingredient on our menus so please ask your server for all allergen information. Packages bookable & payable in advance of your party.*
